LABOUR DEPARTMENT

The 12th February, 1986

No. 9/6/86-6Lab./752.—In pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (Central Act No. XIV of 1947), the Governor of Haryana is pleased to publish the following award of Presiding Officer, Labour Court, Ambala, in respect of the dispute between the workman and the management of (i) The Secretary, Haryana State Electricity Board, Chandigarh, (ii) The Xen, S&T, Haryana State Electricity Board, Yamuna Nagar :—

IN THE COURT OF SHRI V. P. CHAUDHARY, PRESIDING OFFICER,
 LABOUR COURT, AMBALA.

Reference No. 22 of 1984

between

SHRI SAHIB SINGH WORKMAN AND THE MANAGEMENT OF THE
 (i) THE SECRETARY, HARYANA STATE ELECTRICITY BOARD, CHANDIGARH,
 (ii) THE XEN. S.&T., HARYANA STATE ELECTRICITY BOARD, YAMUNA NAGAR

Present:—

Shri Madhu Sudan, for the workman.

Shri Subhash Bindra, for the respondent.

AWARD

The Hon'ble Governor of Haryana in exercise of its powers conferred,—*vide* clause (c) of sub-section (i) of section 10 of the Industrial Disputes Act, 1947, referred the dispute between Shri Sahib Singh and the management of the Haryana State Electricity Board, etc., to this Court. The terms of the reference are as under:—

Whether the termination of services of Shri Sahib Singh, workman, was justified and in order? If not, to what relief is he entitled to?

Shri Sahib Singh, workman through his statement of claim alleged that he had been serving the respondent as a cleaner since 1980. His services were terminated on 30th May, 1983 in contravention of section 25(F) of the Industrial Disputes Act, 1947. He prayed for re-instatement with continuity in service and as well as with full back wages.

Respondent has contested the dispute alleging that the statement of claim has not been properly signed and verified so it may be rejected. It was also contended that the statement of claim is bad and also not in proper form. It was also contended that Shri Sahib Singh was appointed on work-charged basis and was dismissed on 30th May, 1983. It was further alleged that Shri Sahib Singh, Naresh Kumar and Jusvinder Singh were caught red-handed while selling diesel of the management. They confessed their guilt in writing to the management. Since the workman was employed on work charge basis so no regular enquiry was needed for dismissing the workman. In view of his confession statement regarding theft of diesel.

Shri Sahib Singh submitted his replication controverted the allegations of the management.

On the pleadings of the parties the following issues were framed :—

Issues :

1. Whether order, dated 30th May, 1983 termination of applicant is legal? If not, its effect? OPR
2. Whether the statement of claim is not according to law? If so, its effect? OPR
3. Whether the statement of claim is not properly verified? If so, its effect? OPR
4. Relief.

Issue No. 1 :

Onus of this issue was upon the management so respondent-management examined MW-1, Shri Kadam Singh, Chief Security Officer and MW-2 Shri S. S. Panwar, A.E. Haryana State Electricity Board, they both stated that in April, 1983, they were going towards Khera Store from Jagadhri, they noticed that Shri Sahib Singh and Shri Jusvinder Singh were taking out diesel from the tank of truck while Shri Naresh Kumar was standing on the road. They caught all the three persons brought them at Khera Store. Shri Sahib Singh made confession statement Ex. M-1 and similar statements were made by Shri Jusvinder Singh and Naresh Kumar. Thereafter, matter was reported to Gen. who terminated the services of Shri Sahib Singh, Jusvinder Singh and Shri Naresh Kumar.

Management also examined Shri Chanan Singh, Assistant Engineer who stated that when any vehicle is taken out of the store and is brought out side the store then its entry is made in the register and such an entry was also made regarding the vehicle No. HRX 1141 photo copy of the same is Ex. M-2, MW-3 Shri Kuldeep Singh deposed that on the fateful day Shri Sahib Singh took vehicle No. HRX 1141 for getting the puncture repaired. In cross-examination this witness deposed that when ever any vehicle is being taken out of the store and is brought back, in these circumstances entries to this effect are being made in the log book.

On the other hand Shri Sahib Singh appeared as AW-2 and he examined one Shri Hakim Singh, driver of truck No. HRX 1141. They denied the allegations of the management. On the other hand Shri Sahib Singh has levelled specific allegations that MW-1 and MW-2 both wanted work from him at their houses to which he declined. In these circumstances they called him in the store and by force under threat his confession statement was recorded and thereafter he was dismissed.

In view of the above evidence I am of the opinion that the case in hand is one of the most unfortunate case because in the case in hand the assembly of Shri Sahib Singh, Jusvinder Singh and Naresh Kumar at a particular petrol pump is doubtful when all of them are employees of respondents and have been assigned different duties by the management.

Secondly, Shri Sahib Singh, workman is a Cleaner, he is not a driver. There is no question of asking Shri Sahib Singh to take the truck outside the store and get its puncture repaired. Because by permitting so it was endangering the public by way of getting driven truck by a Cleaner. There is no explanation on the file why the driver was not asked to perform his duty.

Copy of register and its entry regarding taking the Vehicle No. HRX 1141 out of the store towards Jagadhri cannot be admitted to be correct because such an entry can be fabricated at any hour by the respondent because this register was in the possession of management-respondent.

The log book of vehicle No. HRX 1141 is most reliable document but it was not produced by the management the reasons best known to it. MW-3 has specifically stated that when the Vehicle No. 1141 is taken out of store, in that respect its entry is always being made in the log book which shows that if vehicle No. HRX 1141 would have been taken out from the store in these circumstances such entry must have been found place in the log book.

With holding of better piece of evidence goes against the management.

Moreover, there is no entry in the register of the store that a truck was being taken for repairing its puncture.

The stock register of the store was also not produced which could show at the time of taking out the vehicle how much diesel was in its tank and how much it had consumed when it was brought back and parked in the store.

Shri Panwar and Shri Chouhan are only two officers who appeared in the witness box and have deposed against the workman when the duty of management was when it should have at least examined one or two public person in other words independent witnesses who had seen Shri Sahib Singh taking out diesel in canes out of diesel tank of the vehicle but no such person was examined. Even the petrol pump owner, attendant were not examined by the management which shows that there is no independent evidence on the file against Shri Sahib Singh workman. It is admitted fact on the file that Shri Panwar and Shri Chouhan both are closely relatives to each other.

The confession statement has been challenged by the workman by saying that it was get written from him under threat and coercion so it is not admissible in evidence like a statement to a police Officer under section 24 of Indian Evidence Act.

As per allegations of the management two canes of diesel were recovered from the possession of Shri Sahib Singh but none of the cane was produced in the Court nor any entry for depositing the same in the store was shown in store register Ex. M-2. Moreover in this case no notice was given to workman. No charge-sheet was framed; or conveyed no enquiry was initiated. Further the management did not comply provisions under section 25(F) of the Industrial Disputes Act, 1947 at the time of terminating service of workman.

In view of above discussions I reach at the conclusion that the present case is a case of victimising and case of illegal retrenchment. There is no question of tendering resignation voluntarily in any circumstances by the workman. So this issue is decided in favour of workman against the management.

Issue No. 2 (ii) (3) :

None of these issues were pressed nor any arguments were advanced at the time of argument. The statement of claim is in proper form it is properly signed as well as verified I do not see any serious technical defect; on which the claim statement can be rejected. Accordingly, both the issues are decided against the management in favour of workman.

Issue No. 2 (ii) (4) :

For the fore-going reasons on the basis of my findings in issue No. 1, I set aside the termination order dated 30th May, 1981 of workman Shri Sahib Singh and order that he be re-instated with continuity in service as well as with full back wages. I pass my award regarding the dispute in hand accordingly.

V. P. CHAUDHARY,

Presiding Officer,
Labour Court, Ambala.

Endst. No. 3240, dated the 31st December, 1985.

Forwarded (Four Copies) to the Financial Commissioner and Secretary to Government, Haryana, Labour and Employment Department, Chandigarh, as required under section 15 of the Industrial Disputes Act, 1947.
